Following to be completed by student. If needed, attach additional pages to respond to the following.

1. List all scholastic, athletic and extracurricular activities you have participated in during your high school years, or as a current student at a community college/technical school.

Include elected offices you held or awards you received during high school or if you're at a community college/tech school.

2. List volunteer and community service activities, including length of service.

3. List work experience, including names of employers and nature of work.

4. The mission of Black Hills Energy is to improve life with energy. We are pleased to provide safe, reliable, natural gas to 112,000 Kansas customers, including you and your family. Please tell us why you are interested in pursuing a career in energy? Please list any other pertinent qualifications or background you feel would help the selection committee in evaluating your application.

As we expand ways to communicate with our customers, increasing our social media efforts is among the strategies we've undertaken. Please consider 'Liking' Black Hills Energy Kansas on Facebook: <https://www.facebook.com/blackhillsenergy>. Later this year, we will announce the scholarship winners on our Facebook page, as well as issue a media release in your community.

RETURN APPLICATION BY FRIDAY, MARCH 17, 2017 TO APPROPRIATE SCHOOL OFFICE OR:

BLACK HILLS ENERGY
