

Requirements for the Tony and Marge Bergkamp Scholarship Presented by The Farmers Coop Elevator Company

The Farmers Coop Elevator Company offers the Tony and Marge Bergkamp Scholarship in an effort to establish and promote a desire and incentive for a balanced college degree. It is hoped that through a planned education a successful life career may be developed, and that this scholarship will be of assistance in attaining this goal.

The recipient of this scholarship will be chosen by a scholarship committee composed of: a director of the Coop Board, a member of the Bergkamp family, and a representative from the Coop. (If any committee member should have a relative apply for the said scholarship, another member of their represented group would replace them.)

The Scholarship consists of \$375.00 per semester for four semesters for a planned educational program. Believing in the need for encouragement based upon a broader basis than scholastic standing alone, the following standards are set forth as a basis for the selection of the candidate:

- 1. Scholarship: The candidate must have a "B" or better grade average**
- 2. Citizenship: Leadership, service, and general conduct.**
- 3. Character: Honesty, reliability, ingenuity, resourcefulness, and perseverance.**
- 4. Preference: Given to children of stockholders and or the children of employees of the Farmers Coop Elevator Company.**

The student possessing the highest degree of the above qualifications shall be awarded the scholarship. If there is not a candidate meeting the necessary qualifications in the opinion of the committee, no scholarship shall be granted for that year.

The Coop reserves the right to alter the amount of the scholarship should its earning power, during a given year, not warrant its awarding the above figure.

The Coop reserves the right to demand repayment of the unused portion of this scholarship in the case the student does not fulfill the scholarship obligation providing they drop out of school for reasons other than illness, or something beyond their control. The same committee that originally selected the candidate for the Tony Bergkamp Scholarship will make the decision.
